

The Vision

From the Pastor's Desk

Prentis McGoldrick
Senior Pastor

Just about every preacher is looking for a magic bullet. They seek the one thing that will make their churches explode with growth. Many of them have gone the marketing route. They spend time on image, multiple locations, and truly getting their people excited about the growth of their churches. And I say, "God bless every one of these preachers." However, that doesn't make me one of them.

I have read scores of books on church growth. I have gone to seminars, watched videos and listened to those preachers who have seen phenomenal growth. For a long while, I believed this was the direction I should go too, but I never got it off the ground. I asked God why many of the things that others did didn't work for the churches I served. The real reason is that I am not any of those preachers. I don't have the charisma, physical presence nor the intelligence to personally cause church growth. I am not a fantastic preacher, author nor promoter.

So, I have come to the conclusion that I must depend upon God to act if our church is to grow. This is why I will spend much of my time this year discipling people to pray with an expectation that God will answer. I will preach a sermon series, lead discipleship groups and encourage each person in our church to become those who pray. Some may become prayer warriors but most of them will simply be people who pray and expect God to answer.

And if we do this out of obedience to our Lord and our church grows, no one will say that the preacher was the reason. Everyone will know that the Holy Spirit has inhabited our church. It was God and God alone.

And I'm okay with that.

The XP Corner: Bringing Family to Jesus

David Doyle

Executive Pastor of Administration

Last month during Advent I preached the sermon on joy. At the very end of the invitation, a child came forward to ask if I would pray for her dad. Specifically, she asked me to pray that her dad would want to come to church with her. So, we prayed a very simple and specific prayer together. After that, the child seemed at peace and went back to her seat. Later that evening at the Christmas Cantata, the same child saw me and literally dragged a gentleman over to meet me. All smiles, she said, "This is my dad". This occasion was too sweet for words. Two things stand out: (1) this child loves her dad and wants him to know something she already knows about being in church, and (2) she had a front-row seat in seeing God answer an earnest prayer.

I was reminded of the disciple who, upon meeting Jesus, ran and got his brother and brought him to Jesus. It was Andrew, who immediately found his brother Simon Peter telling him, "We have found the Messiah!" and brought him to Jesus, according to John 1:40-42. We too should be bringing family to Jesus, and it should be a matter of serious prayer.

Baby BOUTIQUE

A Ministry of the Bridge
Network of Churches

Did you know there's a place for moms in need to get free items for their children ages newborn thru around age 2? Well, there is and Baby Boutique is that place! AND it's located right here at TLBC! We offer gently used and new clothing and other various items suitable for that age group. Our clothing goes up to size 2/24 months and our inventory relies on donations, so our available items vary day by day. We LOVE helping, so if you know of anyone in your church or community who could use our help, please have them go to thebridgenet.org and fill out a Baby Boutique application. The application can be found under Resources. Once We Receive it, we'll be in touch to set up an appointment. We offer a "One Time Only" visit to get needed items.

Since we depend on donations, we are always happy to receive baby items! We accept gently used or new items. There are a few items that we do not accept such as cribs, car seats, and baby powder. Please contact me directly if you would like to donate or if you have any question about Baby Boutique.

VOLUNTEER WITH THE FOOD PANTRY

Our food pantry serves on average 200 households (700 people) per week. The volunteers prepare over 350 plastic grocery bags of canned goods, plus 200 paper grocery bags of bread goods and 200 boxes of meat goods every week.

Volunteers double the plastic grocery bags to handle these heavy items. Please help us with your support of donated plastic Grocery bags and Grocery paper bags. It is always a blessing to our team to have the Plastic bags doubled rather than shaped into various designs.
