

Prayer Guide

“Unnatural Kindness”

August 24, 2025

1. Natural kindness is kind to those who are kind to you. Most people don't need the power of the Holy Spirit to have this type of kindness. Unnatural kindness is supernatural. It is kind to those who are not kind to us. This goes against human nature. **Pray that people will be dissatisfied with their own measure of kindness so that they would ask to be filled with the Spirit and have unnatural kindness.**
2. God's kindness brings people to salvation. It is kindness that urges but does not force. It is a kindness that continues to seek the person even after they have ignored God's pleas. **Pray that we would have that kindness to see people come to know salvation and receive true life.**
3. **Pray that we will stop feeling guilty about sharing the Lord with others and start sharing the Lord with others.**
4. Pray that we will seek the power of the Holy Spirit to do what only God can do. We cannot save people, but God can. **Pray that we stop acting in our own power alone.**
5. Pray for those who are far away from the Lord. Some may be in the worship service but none of us know it. They may be involved in secret sins that no one is aware of. They may have had their love of the Lord grown cold yet continue to say the right words and sing the right songs that leads people to believe they are walking with the Lord. **Pray that they will quit being pretenders and truly embrace the Lord who seeks to embrace them.**
6. **Pray that we will show Holy Spirit kindness to those who need to repent even before they embrace the Lord** for we know it is His kindness that holds onto us.
