Preschool is an exciting time in a child's life, where they develop an understanding of who God is and how they play a part in His plan for the world. Mission Friends provides preschoolers the building blocks of faith and teach them of God's love for all people. A missions heart will become entwined in their hearts as they grow to know God and the missions message of the Bible.

For girls grades: 1st– 6th grade

Girls in Action is designed to help girls come to faith in Christ as Savior, while making missions an important part of their daily lives. They learn what it means to live a missional lifestyle while they participate in Bible study, missions projects and engaging activities. They also have a lot of fun and build lasting memories as they “travel” to various places around the world when they learn about the work of missionaries.

The Girls in Action motto is “Go Forward!” and GAs do just that — they grow closer to God as they discover their part in His plan and they practice what they’re learning through hands-on missions opportunities. Their experiences lead to a lifelong commitment to Christ, His mission and His church.

For boys grade: 1st - 6th grade

Royal Ambassadors (RA) is an exciting and fun-filled missions education organization for boys. Through RA's, boys gain a greater understanding of God's work in the world and how they can join Him in His work. RA's learn about the world, pray for the world, and learn how they can be used to tell others about God's Son, Jesus.

An ambassador can be defined as a messenger or representative—someone who tells or reveals truth. Royal Ambassadors seek to share the truth that Jesus is the Way, the Truth, and the Life.
